

# Omega-3 Care Natural CLO

Genuine Norwegian Cod Liver Oil with Naturally Occurring Fatty Acid and Vitamin Levels

## What Is It?

Genuine Norwegian Cod Liver Oil

## Product Description

Norwegian cod liver oil has been used to support good health for decades. Omega-3 Care Natural CLO delivers premium-grade, all-natural, 100% pure Norwegian cod liver oil (*Gadus morhua*). Many cod liver products are over-manufactured and thereby lose their natural vitamin and fatty acid profiles. This superb formula is manufactured with great care in order to preserve the naturally occurring nutritional factors that give cod liver oils its exceptional therapeutic benefits, while removing all impurities. Omega-3 Care Natural CLO delivers optimal levels of the omega-3 fatty acids EPA and DHA, other healthy omega-3 fatty acids, and natural fat-soluble vitamins A and D. Vitamins A and D are critical for healthy and balanced immune activity. Emerging research indicates that many chronic health conditions are derivative of low vitamin D status.

## Health Benefits

*Omega-3 Care Natural CLO supports and promotes:*

- Maternal omega-3 status
- Healthy and balanced immune activity
- Status of children with neurological challenges
- Healthy emotional health and cognition
- Pain free joints
- Increased joint mobility
- Beneficial HDL levels
- Overall cardiovascular health

## Why It's Better

Omega-3 Care Natural CLO provides ultra-pure, liquid, Norwegian cod liver oil, with naturally occurring levels of the immune supporting fat-soluble vitamins A and D. This exceptional formula is unmatched for purity, taste, and value. Omega-3 Care Natural CLO is custom made by the world leader in omega-3 manufacture. Napro Pharma has been making the world's finest omega-3 formulas for over 20 years. The production facility utilizes state-of-the-art Norwegian pharmaceutical grade and GMP-approved processes and equipment. The technology, experience, and

proprietary production methods utilized by Napro Pharma combine to create omega-3 oils that exceed all governmental and industry standards. The ultimate proof of the quality of these oils is their unmatched purity and exceptionally clean taste. After production, all formulas are tested for purity by the world leader in toxicological testing, Eurofins Scientific Group.

- Pharmaceutical Grade, ultra-pure, impurity free, proprietary detoxification

## How Does It Work?

Omega-3 Care Natural CLO provides critical, omega-3 essential fatty acids that cannot be manufactured by the human body but that are essential for life and health. Omega-3 essential fatty acids play numerous roles in the body, including utilization as structural components and cellular and genetic signaling activities. Without an adequate

intake of omega-3 fatty acids, it is impossible to achieve optimal heart, brain, joint, reproductive, and overall health status. Omega-3 Care Natural CLO delivers the additional advantage of improving the status of the critical fat-soluble vitamins A and D which are essential for healthy and bal
